It's 1 o'clock now and my birthday party begins at 2 o'clock. But my friend Kate will come at 3. She and her parents went to see Kate's grandmother. I already got my present from my parents. 1. An interesting hobby

2. My family story

3. How I spent the weekend

4. My favourite places

**A.** I had a great time! On Saturday we went to the amusement park and had fun there. First we went to the roller coaster, then to the swings and then to the thrill rides. We also had a large

pizza in a café. On Sunday my cousins came to visit us and we had a party at home with games, films and music.

**B.** I love my city. There are nice quiet streets and I enjoy walking there with my parents. Mum knows the history of each building and her stories are always interesting. I also like playing at the playground near our house. Sometimes my parents take me to the amusement park and it's certainly the best. The park is large with lots of rides and I can spend the whole day there!

**C.** When my friends come to my place, they often get interested in the photos on the walls. My mum has a large collection of the photos of our city. She has taken photos since she was a schoolgirl. Her pictures show how the city has changed since that time. For example, there was a field near our house. Five years ago, a large entertainment park was built there. Mum visited the opening ceremony and took nice photos of it, too.

### **It's my life**

I'm Michael. I'm fond of baseball. People guess that I like baseball as soon as they see me since I always wear a printed T-shirt and a baseball cap. But more than baseball, I enjoy travelling and adventures and I'm happy to have a family like mine. There are five of us: mum, dad, my two twin brothers and myself. My brothers are only two years older than me – they are twelve, so we are just a team!

My parents run a travelling circus and we never stay at the same place for too long. Each time when we come to a new place, we set up our tent and the show starts! Sometimes we stay in hotels, but they are rather expensive. That's why usually we stay in our caravans.

My brothers and I can't go to school every day because we are out of our hometown for about half a year. We learn at home, that is, in our caravan. My father helps me with Mathematics and my brothers explain Science to me. I have to say I'm not very good at these two subjects, and I'm not fond of them. But I can always help my brothers with French. I like this language very much, and my teachers at home say I have a talent for languages. Frankly, it's difficult to learn at home but I'm happy with my life anyway. I've been to so many places most children have only seen on TV.

**8.** How many children are there in Michael's family?

- 1) One      2) Two      3) Three

**9.** Where does Michael's father work?

- 1) In a sportswear shop.      2) In a travelling circus      3) In an expensive hotel

**10.** What is Michael's favourite school subject?

- 1) Mathematics      2) Science      3) French

<b>A:</b>	It's cold today, isn't it?
<b>B:</b>	Yes. Windy. My hands have got cold.
<b>A:</b>	You can put on my gloves if you want
<b>B:</b>	Thanks. And it's starting to rain. If we don't catch the bus, we'll get wet.
<b>A:</b>	Do you know the timetable for the bus?
<b>B:</b>	No, unfortunately not. I usually walk to school but today the weather is not good for walking.
<b>A:</b>	I don't know the timetable either. My mum usually drives me to school and back, but today she's busy
<b>B:</b>	Bad luck. It's good we don't have to go to school tomorrow
<b>A:</b>	Yeah, Sunday is always great. I'm going to the swimming pool in the morning. Then I think I'll stay at home, watching TV or something...
<b>B:</b>	I'm going to be lazy tomorrow too. Just the right kind of weather for reading or playing computer games. I won't even go outdoors.
	<b>Dialogue B</b>
<b>A:</b>	What are you drawing?
<b>B:</b>	My dog.
<b>A:</b>	Oh, it's cute! I like dogs too but I have a cat. She's grey, playful and very friendly. And what's your dog's name?
<b>B:</b>	Toby. He likes to play too, and I enjoy walking him.
<b>A:</b>	Can I go for a walk with you one day?

<b>B:</b>	Yes, sure. Today I'll take Toby for a short walk as soon as I come back from school. And one more time – in the evening, when I do all my lessons for tomorrow. We'll be glad to have a company.
<b>A:</b>	I can't join you today I'm afraid. Tina invited me to her birthday party last week.
<b>B:</b>	I've absolutely forgotten about the party! She invited me too.
<b>A:</b>	Are you going?
<b>B:</b>	Yes. I've already got a present for Tina. I only have to ask my mum to walk Toby.

**Lucy:** Hi, Mark. Are you having a nice time in Rome?

**Mark:** Yeah, it's great! Today, I'm going to do some sightseeing. There are so many beautiful buildings here.

**Lucy:** Your sister likes sightseeing. Are you going to go together?

**Mark:** Oh, no. She's doing something different today. Mary wants to go shopping for souvenirs. My Mum is going to go shopping, too, but she's going to go to the department stores. She wants to buy some nice clothes.

**Lucy:** What about your Dad? What's he going to do today?

**Mark:** Well, we're all going to go on a day trip to a small town tomorrow. That's why today, Dad just wants to stay at the hotel and relax.

**Lucy:** I almost forgot. How was the ballet performance last night?

**Mark:** Brilliant! We all enjoyed it.

Suggested Answer

Dear Sharon,

I'm really looking forward to the weekend, too. My cousins are coming to visit, so I want to do a lot of things with them.

On Saturday morning, we're going to go to the zoo. They love animals and I'm sure they're going to enjoy it. Then, we are going to have a picnic in the park. We are going to play football and ride our bicycles around the paths. In the afternoon, we are going to go to the cinema and see the new James Bond film. At night, some friends are going to come over and we're going to play video games all night!

On Sunday, I want to take them to the beach. I hope the weather is good. We want to spend the whole day there swimming and making sandcastles. Write and tell me what happened.

Love,

Tamara

### **William Shakespeare.**

Nowadays people seem to read newspapers mostly. Many people are fond of reading detective stories or spy thrillers. I myself prefer books about politics, history. I enjoy reading books by such English writers as Charles Dickens, Walter Scott.

My favorite writer is William Shakespeare, one of the outstanding personalities in the world literature. William Shakespeare was born in Stratford-upon-Avon not far from London. His father, John Shakespeare, came to Stratford from a village and opened a shop there. He never became a rich man but at one time he was an important official in the city. William Shakespeare lived in Stratford until he was twenty-one. He got married and had three children. At the age of 21 William left Stratford for London to join a company of actors. William Shakespeare lived and worked in London for 25 years. In all William Shakespeare wrote 37 plays, 2 long poems, a sonnet cycle of 155 small pieces.
